Agreement to Sell and Purchase Energy. This is an agreement between Residents Energy, LLC. ("RESI"), an independent energy services company, and the undersigned customer ("Customer") under which Customer shall initiate natural gas and/or electricity service and begin enrollment with RESI (the "Agreement"). Subject to the terms and conditions of this agreement, RESI agrees to sell and deliver, and Customer agrees to purchase and accept the quantity of natural gas and/or electricity, as estimated by RESI, necessary to meet Customer's requirements based upon consumption data obtained by RESI or the delivery schedule of the local Distribution Company (the "LDC"). RESI is not affiliated with and does not represent the LDC. The amount of natural gas and/or electricity supplied under this Agreement is subject to change based upon data reflecting Customer's consumption obtained by RESI or the LDC's delivery schedule. The LDC will continue to deliver the natural gas and/or electricity supplied by RESI.

Term. This Agreement shall commence as of the date Customer's notice regarding the change of Customer's provider to RESI is deemed effective by the LDC, and shall continue on a month-to-month basis with a monthly variable rate methodology until either Customer or RESI cancels or terminates this Agreement by providing 15 days' notice of termination to the other party.

Pricing, Billing, and Termination. Unless otherwise agreed to in writing, the price for all natural gas sold under this Agreement shall be a variable price which each month shall reflect the wholesale cost of natural gas (including commodity, capacity, storage and balancing), transportation to the Delivery Point, and other market-related factors, plus all applicable taxes, fees, charges or other assessments and RESI's costs, expenses and margins.

Unless otherwise agreed to in writing, the price for all electricity sold under this Agreement shall be a variable price which shall each month reflect the cost of electricity obtained from all sources (including energy, capacity, settlement, ancillaries), related transmission and distribution charges and other market-related factors, plus all applicable taxes, fees, charges or other assessments and RESI's costs, expenses and margins.

There is a material adverse change in the business or financial condition of Customer (as determined by RESI at its discretion) or if Customer fails to meet its obligations under this agreement or pay or post any required security deposit, then, in addition to any other remedies that it may have, RESI may terminate this Agreement upon 15 days' notice to Customer.

RESI will invoice Customer monthly for natural gas and/or electricity supplied under this agreement, as measured by the LDC, and Customer will pay each invoice in full within 20 days of the invoice date. Failure to pay on time may result in a late payment charge of 1.5%, or the amount otherwise provided in the LDC's tariff. Customer may receive a single bill for both commodity and delivery costs from either RESI or the LDC, or each of the LDC and RESI may invoice Customer separately. Customer payments remitted in response to a consolidated bill shall be pro-rated (when so required) in accordance with procedures adopted by the New York State Department of Public Service (the "DPS"). RESI may assign and sell Customer accounts receivable to the LDC. In the event of failure to remit payment when due by a residential customer, RESI may terminate commodity service and seek suspension of distribution service in conformance with the Home Energy Fair Practices Act ("HEFPA"). A \$20 fee will be charged for all returned payments.
