<b>Electricity Supplier Information</b>	<b>Residents Energy, LLC, PO Box 400, Jamestown, NJ 14702</b> License Number: 15-1739 1-888-828-7374, <a href="http://www.ResidentsEnergy.com">www.ResidentsEnergy.com</a>
<b>Plan Description</b>	You have chosen a Variable Price plan.
<b>Supply Price</b>	The price for the electricity supplied during the first billing cycle will be <input type="text"/> per kWh. The price for each subsequent billing period will be made available at least 12 days prior to the close of the then-current billing period. You can obtain the price for the upcoming billing period by contacting Residents Energy at 1-888-828-7374. Residents Energy considers numerous factors when setting its variable prices for electricity including, but not limited to, current conditions on the PJM wholesale electricity market, the cost of obtaining electricity from all sources, capacity costs, settlement costs, costs of ancillary services, hedging costs, balancing costs, line loss costs, costs to comply with any applicable Renewable Portfolio Standards, Residents Energy’s expenses and margins, and all applicable taxes, fees, or assessments. There is no limit on how much the price may change from one billing cycle to the next.
<b>Historical Pricing</b>	You may obtain Residents Energy’s previous average monthly billed variable prices by visiting <a href="http://www.ResidentsEnergy.com">www.ResidentsEnergy.com</a> or by calling 1-888-828-7374. Historical pricing is not indicative of present or future pricing. The supply price may not always provide a savings.
