**<<Customer Name>> <<Customer Address>> <<City, State Zip>>**

**1. AGREEMENT TO SELL AND PURCHASE ENERGY.** Residents Energy, LLC ("Residents Energy") will provide competitive retail electric service and/or competitive retail natural gas service to you and agrees to sell, and you (also referred to herein as "Customer"), agree to purchase and accept, the quantity of electricity and/or natural gas necessary to meet your requirements, as estimated by Residents Energy based upon consumption data obtained by Residents Energy or the delivery schedule of the electric distribution utility ("EDU") or natural gas distribution utility ("NGDU"), subject to the terms and conditions contained herein (this "Agreement"). Residents Energy is not affiliated with, and does not represent, the EDU or NGDU.

**2. INFORMATION RELEASE AUTHORIZATION.** Customer hereby authorizes the EDU and/or NGDU to release to Residents Energy and authorizes Residents Energy to obtain from the EDU and/or NGDU and review, detailed information regarding Customer's account including, but not limited to: account number; meter number; consumption history; billing determinants; payment history; credit information; public assistance status; and participation in utility low income discount programs. This information may be used by Residents Energy to determine whether it will commence and/or continue to provide energy supply service to Customer. Customer's execution of this Agreement shall constitute authorization for the release of this information to Residents Energy. This authorization will remain in effect during the Initial Term of this Agreement and any renewal thereof. Customer may rescind this authorization at any time by providing written notice thereof to Residents Energy or calling Residents Energy at 1-888-828-7374. Residents Energy reserves the right to cancel this Agreement in the event Customer rescinds the authorization.

Residents Energy is prohibited from disclosing Customer's social security number and/or account number(s) without Customer's consent except for the following purposes: (i) Residents Energy's own credit evaluation, (ii) Residents Energy's own collections and/or credit reporting, (iii) participation in programs funded by the universal service fund, or (iv) the assignment of a Customer contract to another competitive retail provider.

**3. PRICE.** For each monthly billing cycle, the price for the electricity and/or natural gas supplied pursuant to this Agreement will be calculated by multiplying (i) the agreed-upon variable or fixed rate for the electricity and/or natural gas, by (ii) the amount of electricity and/or natural gas consumed, as determined by the EDU/NGDU's actual or estimated meter reads.

If you have chosen a Variable Rate (ResiFlex) electric product, the rate for the electricity supplied pursuant to this Agreement will fluctuate at Residents Energy's discretion. The rate will initially be set at [REDACTED] per kWh. When setting rates, Residents Energy will consider numerous factors including, but not limited to, current conditions on the PJM wholesale electricity market, the cost of obtaining electricity from all sources, capacity costs, settlement costs, costs of ancillary services, hedging costs, balancing costs, line loss costs, costs to comply with any applicable Renewable Portfolio Standards, Residents Energy's expenses and margins, and all applicable taxes, fees, or assessments. The rate may be higher or lower than the EDU's rate in any particular month. There is no cap on the rate.

If you have chosen a Variable Rate (ResiFlex) natural gas product, the rate for the natural gas supplied pursuant to this Agreement will fluctuate at Residents Energy's discretion. The rate will initially be set at [REDACTED] per Ccf. When setting rates, Residents Energy will consider numerous factors including, but not limited to, current conditions on the NYMEX commodity exchange, the wholesale cost of natural gas, capacity costs, storage costs, balancing costs, cost of transportation of gas to the delivery point, Residents Energy's expenses and margins and all applicable taxes, fees, or assessments. The rate may be higher or lower than the NGDU's rate in any particular month. There is no cap on the rate.

If you have chosen a Fixed Rate (ResiSure) electric product, the rate for the electricity supplied pursuant to this Agreement during the Initial Term will be a Fixed rate of [REDACTED] per kWh. Upon expiration of the Initial Term, this Agreement shall automatically renew on a month-to-month basis with a Variable Rate that will fluctuate at Residents Energy's discretion as described above. Your rate for electricity, whether a variable rate or fixed rate, does not include the EDU's charges and fees.

If you have chosen a Fixed Rate (ResiSure) natural gas product, the rate for the natural gas supplied pursuant to this Agreement during the Initial Term will be a Fixed rate of [REDACTED] per Ccf. Upon expiration of the Initial Term, this Agreement shall automatically renew on a month-to-month basis with a Variable Rate that will fluctuate at Residents Energy's discretion as described above. Your rate for natural gas, whether a variable rate or fixed rate, does not include the NGDU's charges and fees.

**Rebate Programs:** From time-to-time, Residents Energy may offer a rebate program for new customers who enroll with Residents Energy and maintain active accounts with Residents Energy for a specified period of time. To be eligible to earn a rebate under any such rebate program, Customer will have 60 days to complete a validation process in accordance with the instructions that will be provided to Customer. Customer will also have to be an active customer of Residents Energy, in good standing, at the time the rebate is to be issued in order to qualify for the rebate. Rebate amounts appearing in Residents Energy's advertising materials or presented orally to potential customers are merely examples of rebate amounts that customers might be eligible to receive. The actual amount of any rebate will be computed by reference to Customer's actual usage over the term of this Agreement, which may vary substantially from any estimate provided. Any rebate earned by Customer will be sent to Customer at the address provided by Customer during the validation process. Rebates can be issued in a variety of forms including, but not limited to, checks, stored-value cards, or electronic gift cards. Stored-value cards and electronic gift cards will be issued by an issuing bank, pursuant to a direct relationship between Customer and the issuing bank, and will be subject to the terms and conditions of a Cardholder Agreement. Stored-value cards and electronic gift cards will expire 6 months after issuance.

**Renewable (Green) Electricity:** If you have chosen a renewable (green) electricity plan, Residents Energy will ensure that 100% of your electricity usage is matched with renewable energy certificates. [A renewable energy certificate is a tradable, non-tangible energy commodity that represents proof that 1 megawatt-hour (MWh) of electricity was generated from an eligible renewable energy resource and was fed into the shared system of power lines which transport energy]. Residents Energy may take up to 24 months following each calendar year in which this Agreement is in effect to address any deficiency in the renewable energy certificates purchased. If you have chosen a Variable Rate electric product and the renewable (green) electricity plan, or if you have chosen a Fixed Rate electric product with the renewable (green) electricity plan and the Agreement has renewed on a month-to-month Variable Rate basis, your rate for the electricity supplied will be Residents Energy's standard variable rate plus an "adder" of up to 3¢ per kWh. If you wish to switch to a standard electricity plan, please call Residents Energy at 1-888-828-7374.

**Carbon Offset Gas:** If you have chosen a carbon offset gas plan, Residents Energy will purchase carbon offsets and/or carbon credits to match 100% of your natural gas consumption (at a rate of 1 metric ton of offsets/credits per 188.6 therms of natural gas supplied). Residents Energy may take up to 12 months following each calendar year in which this Agreement is in effect to address any deficiency in the carbon offsets/credits purchased. If you have chosen a Variable Rate gas product and the carbon offset gas plan, or if you have chosen a Fixed Rate gas product with the carbon offset gas plan and the Agreement has renewed on a month-to-month Variable Rate basis, your rate for the natural gas supplied will be Residents Energy's standard variable rate plus an "adder" of up to 20¢ per Ccf. If you wish to switch to a standard natural gas plan, you may call Residents Energy at 1-888-828-7374.

**4. BILLING AND PAYMENT.** You will normally receive one bill each month issued by your EDU or NGDU, or by Residents Energy if directed by you or the EDU or NGDU. Unless otherwise provided herein, payment terms are governed by the terms of the EDU or NGDU's tariff if the EDU or NGDU issues the bill. Residents Energy does not offer a budget-billing option, but the EDU or NGDU may offer a budget-billing option that includes Residents Energy's portion of the bill. Failure to pay for electric or natural gas utility charges may result in Customer's service being disconnected in accordance with the EDU or NGDU's tariff. If Residents Energy issues the bill, payment of the full amount billed is due twenty-five (25) days after the date the bill is mailed. Late payments or partial payment balances will be subject to collection fees and/or reasonable attorneys' fees and court costs, as allowed by law. All accounts, which are overdue, may be referred to a collection agency consistent with Ohio law. Your bill will be based on scheduled meter readings and/or estimates provided by the EDU or NGDU. The parties agree to accept, for purposes of accounting for electricity and/or natural gas delivered under this Agreement, the quantity, quality, and measurement determined by the EDU or NGDU. A twenty-dollar (\$20) fee will be charged for returned checks.

**5. TITLE AND TAXES.** Under this Agreement, title to the electricity shall pass from Residents Energy to you prior to delivery to the EDU and title to gas shall pass from Residents Energy to you outside the State of Ohio. Our price does not include any sales taxes that may apply, and these taxes generally will appear as a separate item on your bill. You shall reimburse Residents Energy for sales or other taxes, however designated, imposed with respect to the sale or transportation of electricity or natural gas unless, prior to execution of this Agreement, you have given us a valid tax exemption certificate(s).

**6. TERM; RENEWALS AND TERMINATION.** For the Variable Rate product, this Agreement shall commence as of the date Customer's enrollment with Residents Energy is deemed effective by the EDU or NGDU, which shall be in approximately 15-45 days, depending on your next meter reading, and it shall continue on a month-to-month basis with a variable rate until either Customer or Residents Energy cancels or terminates it by providing 30 days' notice of

the EDU or NGDU, which shall be in approximately 15-45 days, depending on your next meter reading, and shall continue for [REDACTED] monthly billing cycles thereafter ("Initial Term"). Upon expiration of the Initial Term, **THIS AGREEMENT SHALL AUTOMATICALLY RENEW ON A MONTH-TO-MONTH BASIS, WITH A VARIABLE RATE THAT WILL FLUCTUATE AS DESCRIBED IN SECTION "3" ABOVE, WITHOUT THE NEED FOR CUSTOMER'S AFFIRMATIVE CONSENT.**

Residents Energy may terminate this Agreement with at least fourteen (14) calendar days' written notice should Customer fail to pay a bill or fail to meet any agreed-upon payment arrangements. This Agreement will automatically terminate, with respect to the effected account(s), if (i) the requested service location is not serviced by the EDU or NGDU, or (ii) Residents Energy returns Customer's account(s) to the EDU or NGDU's applicable tariff service (provided that Residents Energy is permitted to return the account(s) under the terms of this Agreement). If Customer chooses to switch back to the EDU or NGDU, Customer may or may not be served under the same rates, terms and conditions that apply to other customers served by the EDU or NGDU. If, due to a change in market conditions, Residents Energy wishes to lower a natural gas customer's price per Ccf under this Agreement, it may do so without Customer's consent provided there are no other changes to the terms and conditions of this Agreement.

**7. ASSIGNMENT.** Residents Energy may assign or transfer its rights or obligations under this Agreement after first informing you in writing of such transfer or assignment. You may not assign or transfer your rights or obligations under this Agreement.

**8. CHOICE OF LAW.** This Agreement shall be construed in accordance with and be governed by the laws of the State of Ohio without regard to the conflicts of law provisions thereof.

**9. NO WARRANTIES.** Customer acknowledges and agrees that no warranty, duty or remedy, whether expressed, implied or statutory, is given or intended to arise out of this Agreement except as otherwise expressly stated herein, and RESIDENTS ENERGY SPECIFICALLY DISCLAIMS ALL OTHER WARRANTIES, EXPRESSED OR IMPLIED INCLUDING ANY WARRANTY OF MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE OR USE.

**10. SEVERABILITY.** Should any part of this Agreement be declared invalid for any reason, such decision shall not in any manner affect the validity of the remaining portions of this Agreement, which shall remain in full force and effect as if the part determined to be invalid had not been contained herein at the time of the execution of this Agreement.

**11. FORCE MAJEURE.** Residents Energy will make commercially reasonable efforts to provide electricity and/or natural gas hereunder but does not guarantee a continuous supply of electricity and/or natural gas to Customer. Certain causes and events out of the control of Residents Energy ("Force Majeure Events") may result in interruptions in service. Residents Energy will not be liable for any interruptions caused by a Force Majeure Event, and Residents Energy is not and shall not be liable for damages caused by Force Majeure Events. Force Majeure Events shall include fire, flood, storm, terrorism, war, civil disturbance, acts of any governmental authority, accidents, strikes, labor disputes or problems, required maintenance work, inability to access the local distribution utility system, non-performance by the EDU or NGDU (including, but not limited to, a facility outage on its electric facilities), or any other cause beyond Residents Energy's control.

**12. LIMITATION OF LIABILITY.** In no event shall Residents Energy or Customer be liable to the other or to any third party for any indirect, incidental, consequential, punitive, reliance or special damages, including without limitation, damages for lost profits, advantage, savings or revenues of any kind or increased cost of operations, whether or not Residents Energy or Customer has been advised of the possibility of such damages. Residents Energy's liability and Customer's exclusive remedies against Residents Energy, for any damages caused by any service outage, defect or failure shall be the termination provisions set forth above in section 6. Residents Energy's liability for other claims arising in connection with any service or this Agreement, if not otherwise limited by another provision of this Agreement, shall be limited to proven direct damages not to exceed per claim (or in the aggregate during any 12-month period), the total net payments made by Customer for the applicable service during the 12 months preceding the month in which the damage occurred.

**13. INDEMNIFICATION.** Customer is responsible for and will indemnify Residents Energy against any and all liabilities resulting from Customer's failure to fully comply with this Agreement, and damage or injury caused by the electricity and/or natural gas after its delivery to the Customer's residence or place of business, as applicable.

**14. DISPUTE RESOLUTION.** Customer may contact Residents Energy directly to resolve a billing dispute or service problem.
