[1] The Residents Energy (RE) ResiFlex rate is the per unit rate that will apply to the first monthly billing cycle only. Thereafter, RE's standard variable rates will apply. Rates are only available to new RE customers enrolling between 6/1/24 and 6/30/24 unless otherwise specified. This is a variable rate contract. The rate for the electricity and/or natural gas supplied will fluctuate at RE's discretion based on numerous factors as explained in the Terms & Conditions. RE may change the rate without notice and the rate may be higher or lower than the utility's rate in any particular month. There is no cap on the rate. Savings are neither implied nor guaranteed. [2] To take advantage of the "RE ResiSURE Locked Rate" program above, customers must enroll between 6/1/24 and 6/30/24. This promotion is not available to current RE supply customers unless otherwise specified. As a ResiSURE Locked Rate customer, the electricity and/or natural gas supply will be guaranteed to remain at the respective rates above per kWh/therm for the number of initial monthly billing cycles indicated. [3] The Renewable/(Green) Electricity supply product is matched 100% with renewable energy certificates (RECs). If you choose RE's Carbon Offset Gas option, RE will purchase carbon offsets and/or carbon credits to match 100% of your natural gas consumption. [4] There are no termination fees applicable to ResiFlex Variable rate plans. ResiSURE fixed electricity and/or natural gas supply rates will be guaranteed to remain locked for the rate per kWh/therm/MCF mentioned above for the monthly billing cycles indicated. In NY, MA, MI, OH, NJ, PA, and DE if customer chooses to terminate service prior to the expiration of the initial term, customer will be obligated to pay a termination fee of \$10.00 for each monthly billing cycle, or portion thereof, remaining in the initial term. In NY the ETF will be no greater than \$100 if the remaining term is less than 12 monthly billing cycles and \$200 if the remaining term is 12 monthly billing cycles or more. [5] DE historical prices below are the blended average rates across all variable price plans available in a given month. Prices do not reflect offerings of any fixed rate price plans. Historical pricing is not indicative of present or future pricing. Future pricing may be obtained by calling RE customer care at 888-828-RESI (7374). [6] RE is not the same entity as your electric delivery company. You are not required to enroll with RE. [7] In NY, RE traditional electric and natural gas supply is offered bundled with Home Protection plans provided by Cinch Home Services, Inc. Refer to your Terms &amp
