RESIDENTS ENERGY, LLC – NEW YORK - TERMS & CONDITIONS

1. Agreement to Sell and Purchase Energy. This is an agreement between Residents Energy, LLC (“RESI”), an independent energy services company, and the customer (“Customer”) under which Customer shall initiate electricity service and begin enrollment with RESI (the “Agreement”). Subject to the terms and conditions of this Agreement, RESI agrees to sell and deliver, and Customer agrees to purchase and accept, the quantity of electricity, as estimated by RESI, necessary to meet Customer’s requirements based upon consumption data obtained by RESI or the delivery schedule of the Local Distribution Company (the “LDC”). RESI is not affiliated with and does not represent the LDC. The amount of electricity supplied under this Agreement is subject to change based upon data reflecting Customer’s consumption obtained by RESI or the LDC’s delivery schedule. The LDC will continue to deliver the electricity supplied by RESI.

2. Term. This Agreement shall commence as of the date Customer’s notice regarding the change of Customer’s provider to RESI is deemed effective by the LDC and it shall continue with a monthly variable rate methodology until either Customer or RESI cancels or terminates this Agreement by providing 15 days’ notice of termination to the other party.

3. Pricing, Billing, and Termination. Unless otherwise agreed to in writing, the price for all electricity sold under this Agreement shall be a variable price which each month shall reflect the cost to RESI to obtain electricity on Customer’s behalf, including, but not limited to, energy, capacity, settlement, ancillaries and related transmission and distribution charges, plus all applicable taxes, fees, charges, or other assessments, and RESI’s costs, expenses and profit margins.

If there is a material adverse change in the business or financial condition of Customer (as determined by RESI at its discretion) or if Customer fails to meet its obligations under this Agreement, then, in addition to any other remedies that it may have, RESI may terminate this Agreement upon 15 days’ notice to Customer.

RESI will invoice Customer monthly for electricity supplied under this Agreement, as measured by the LDC, and Customer will pay each invoice in full within 20 days of the invoice date. Failure to pay on time may result in a late payment charge of 1.5% per monthly billing cycle, or the amount otherwise provided for in the LDC’s tariff. Customer may receive a single bill for both commodity and delivery costs from either RESI or the LDC, or each of the LDC and RESI may invoice Customer separately. Customer payments remitted in response to a consolidated bill shall be pro-rated (when so required) in accordance with procedures adopted by the New York State Department of Public Service (the “DPS”). RESI may assign and sell Customer accounts receivable to the LDC. In the event of failure to remit payment when due by a residential customer, RESI may terminate commodity service and seek suspension of distribution service in conformance with the Home Energy Fair Practices Act (“HEFPA”). A \$20 fee will be charged for all returned payments.

4. Renewable Energy Program. Your electricity usage is matched by the generation of energy from renewable resources by retiring renewable energy certificates (RECs). RECs represent the environmental attributes associated with the applicable amount of renewable energy generation from various renewable sources that comply with the appropriate locational and delivery requirements. RECs will be purchased and retired to satisfy the percentage of renewable generation guaranteed by this agreement. For the Basic Renewable Energy Product, the renewable mix provided under this agreement will be at least 50% greater than the applicable Renewable Energy Standard (RES) obligation for the current year. For the Premium Renewable Energy Product, 100% of the energy provided under this agreement will be renewably sourced. In order to satisfy the terms of this contract, RESI may purchase RECs from eligible renewable generators through NYGATS; purchase Tier 1 RECs from NYSEERDA; procure RECs from eligible renewable generators through bilateral contracts; or enter into bundled energy and REC purchase agreements with eligible renewable generators. Residents of the five boroughs of New York City will pay an additional monthly fee of \$4.95/month (prorated as a daily fee) for the Premium Renewable Energy Product.

5. Assignment. Customer may not assign its interests in or delegate its obligations under this Agreement without the express written consent of RESI. RESI may sell, transfer, pledge, or assign the accounts, revenues, or proceeds hereof, in connection with any financing agreement or receivables purchase program, and may assign this Agreement to another energy supplier, energy services company or other entity as authorized by the DPS with 30 days’ written notice to Customer.

6. Information Release Authorization. Customer authorizes RESI to obtain and review information regarding Customer’s credit history from credit reporting agencies and the following information from the LDC: consumption history; billing determinants; account number; credit information; public assistance status; participation in utility low income discount programs; existence of medical emergencies, status as to whether Customer has a medical emergency, is human needs, elderly, blind or disabled and data applicable to cold weather periods under PSL § 32 (3); and information pertaining to PSL § 33, tax status and eligibility for economic development or other incentives. This information may be used by RESI to determine whether it will commence and/or continue to provide energy supply service to Customer and will not be disclosed to a third party unless required by law. Customer’s execution of this Agreement shall constitute authorization for the release of this information to RESI. This authorization will remain in effect until this Agreement is terminated by Customer or RESI. Customer may rescind this authorization at any time by providing written notice thereof to RESI or by calling RESI at 1-888-828-7374. RESI reserves the right to cancel this Agreement in the event Customer rescinds the authorization.

7. Consumer Protections. The services provided by RESI to Customer are governed by the terms and conditions of this Agreement and the New York State Public Service Commission rules and regulations (Orders) including the Uniform Business Practices (UBP) and other applicable requirements including (for residential customers) the NYS Home Energy Fair Practices Act (HEFPA). RESI will provide at least 15 days' notice prior to the cancellation of service to Customer. In the event of non-payment of any charges owed to RESI, a residential customer may be subject to termination of commodity service and the suspension of distribution service under procedures approved by the DPS. Customer may obtain additional information by contacting RESI at 1-888-828-7374 or the DPS at 1-800-342-3377 (General Helpline), or by writing to the DPS at: New York State Department of Public Service, Office of Consumer Services, Three Empire State Plaza, Albany, New York 12223, or through its website at: <http://www.dps.ny.gov>. Customer may also contact the DPS for inquiries regarding the competitive energy market at 1-888-697-7728 (ESCO Hotline).

8. Cancellation. A residential Customer may rescind this Agreement within 3 business days after the signing or receipt of this Agreement, whichever comes first, by contacting RESI at 1-888-828-7374 or in writing. Customer is liable for all RESI charges after rescission, cancellation or termination until Customer returns to the LDC in accordance with its rules or goes to another supplier. A final bill will be rendered within twenty (20) days after the final scheduled meter reading or if access is unavailable, an estimate of consumption will be used in the final bill, which will be trued up subsequent to the final meter reading.

9. Agency: Customer hereby designates RESI as agent to; (a) arrange and administer contracts and service agreements between Customer and RESI and those entities, including the New York Independent System Operator ("NYISO"), engaged in the generation, transmission and delivery of Customer's electricity supplies; and (b) nominate and schedule with the appropriate entities, including the LDC, for the delivery of electricity to the Sales Point and the Customer's end-use premises. RESI, as agent for the Customer, will schedule the delivery of adequate supplies of electricity that meet the Customer's requirements as established by the LDC and in response to information provided by the LDC. The Sales Point for the electricity will be a point at the NYISO RESI load bus (located outside of the municipality where Customer resides). These services are provided on an arm's length basis.

10. Title: Customer and RESI agree that title to, control of, and risk of loss to the electricity supplied by RESI under this Agreement shall transfer from RESI to Customer at the Sales Point. Customer will be liable for and pay all taxes or surcharges, which are imposed with respect to the sale of the electricity. If Customer is exempt from such taxes, Customer is responsible for identifying and requesting any exemption from the collection of the taxes by filing appropriate documentation with RESI. RESI will indemnify and hold harmless Customer from all taxes, royalties, fees or other charges incurred before title passes with respect to the electricity provided hereunder.

11. Warranty. This Agreement, including any enrollment form and applicable attachments, makes up the entire Agreement between Customer and RESI. RESI makes no representations or warranties other than those expressly set forth in this Agreement, and RESI EXPRESSLY DISCLAIMS ALL OTHER WARRANTIES, EXPRESS OR IMPLIED, INCLUDING MERCHANTABILITY AND FITNESS FOR A PARTICULAR USE.

12. Force Majeure. RESI will make commercially reasonable efforts to provide electricity hereunder but RESI does not guarantee a continuous supply of electricity to Customer. Certain causes and events out of the control of RESI ("Force Majeure Events") may result in interruptions in service. In the event that RESI is rendered unable, wholly or in part, to perform its obligations under this Agreement due to events not reasonably anticipated or within either party's control, RESI will not be liable for any interruptions caused by a Force Majeure Event, and RESI is not and shall not be liable for damages caused by Force Majeure Events. Force Majeure Events shall include, but not be limited to, fire, flood, storm, terrorism, war, civil disturbance, accidents, strikes, labor disputes or problems, required maintenance work, inability to access the local distribution utility system, curtailment by the LDC of RESI's transportation capacity, non-performance by the LDC (including, but not limited to, a facility outage in its electric facilities), or any other cause beyond RESI's control.

13. Limitation of Liability. TO THE FULLEST EXTENT PERMITTED BY APPLICABLE NEW YORK LAW, NEITHER CUSTOMER NOR RESI WILL BE LIABLE TO THE OTHER FOR ANY CONSEQUENTIAL, EXEMPLARY, PUNITIVE, INCIDENTAL, OR INDIRECT DAMAGES ARISING FROM ANY CLAIM OR LEGAL PROCEEDING BETWEEN CUSTOMER AND RESI, INCLUDING, WITHOUT LIMITATION, LOST PROFITS OR LOST REVENUES. THE REMEDY FOR ANY CLAIM OR SUIT AGAINST RESI WILL BE LIMITED TO DIRECT ACTUAL DAMAGES, WHICH SHALL NOT EXCEED THE AMOUNT OF CUSTOMER'S SINGLE LARGEST MONTHLY INVOICE DURING THE PRECEDING 12 MONTHS. CUSTOMER SHALL NOT PURSUE OR RECOVER ANY ADDITIONAL DAMAGES OR AMOUNTS FROM RESI, AND HEREBY WAIVES ALL OTHER REMEDIES IN LAW OR EQUITY. THESE LIMITATIONS APPLY WITHOUT REGARD TO THE CAUSE OF ANY LIABILITY OR DAMAGES. CUSTOMER AND RESI ACKNOWLEDGE THAT THERE ARE NO THIRD-PARTY BENEFICIARIES TO THIS AGREEMENT.

14. Indemnification. Customer is responsible for and will indemnify RESI against any and all liabilities resulting from Customer's failure to fully comply with this Agreement, and from any damage or injury caused by the electricity after its delivery to the Sales Point(s).

15. Severability. Should any part of this Agreement be declared invalid for any reason, such decision shall not in any manner affect the validity of the remaining portion of this Agreement, which shall remain in full force and effect as if the part determined to be invalid had not been contained herein at the time of the execution of this Agreement.

16. Change in Law. If at some future date there is a change in any law, order, rule, regulation, or state-approved tariff whereby RESI is prevented, prohibited, or frustrated from carrying out the terms of the Agreement, then, at the sole discretion of RESI, this Agreement may be cancelled. If, at some future date there is a change in any law, order, rule, regulation, or state-approved tariff affecting RESI's costs to purchase electricity required to provide service, then, at the sole discretion of RESI, this Agreement may be modified to reflect those costs.

17. Modification. RESI may supplement, modify, or amend the non-material terms of this Agreement upon at least 30 days prior written notice to Customer. Such amended Agreement will supersede any previous agreement between Customer and RESI. Upon receipt of written notice pursuant to this Section, Customer may cancel the Agreement at any time prior to the commencement of the next billing cycle by providing written notice to RESI.

18. RESI Contact Information. Customer may contact RESI's Customer Service Center at 1-888-828-7374, Monday through Friday 9:00 a.m. - 5:00 p.m. EST (contact center hours subject to change). RESI AND CUSTOMER UNDERSTAND AND AGREE THAT THEY ARE KNOWINGLY, VOLUNTARILY, AND WILLINGLY WAIVING THE RIGHT TO PARTICIPATE IN OR BE REPRESENTED IN ANY CLASS ACTION OR CLASS ARBITRATION.
